09.00	Registration opens	
09:00 - 09:45	Optional site visit at Chalmers	Jie Sun, Chalmers University of Technology
09:45 - 10:00	Registration and coffee to go	All 
10:00 - 10:10	Welcome and Introduction (NMN)	Ulf G Andersson, NanoMed North/Medeon Science Park
10:10 - 10:20	Welcome by the host (Chalmers)	Ivan Mijakovic & Bo Albinsson, Chalmers University of Technology
10:20 - 10:30	Short introduction of participants	All
10:30 - 11:15	Key note presentation	Fredrik Höök, Chalmers University of Technology
11:15 - 11:30	Enzyme functionalized nanostructured electrochemical biosensors	Ann-Sofie Cans, Chalmers University of Technology
11:30 - 11:45	Leg stretch	All 
11:45 - 12:00	NanoMed North Annual Meeting	Ulf G Andersson, NanoMed North/Medeon Science Park
12:00 - 13:00	Lunch and mingling	All 

PROGRAM, continued

Annual Meeting & Seminar 2017

13:00 - 13:15	European Technology Platform Nanomedicine	Alexander Ceccaldi, ETPN
13:15 - 13:30	ENATRANS – Enabling Nano-medicine Translation	Nicolas Gouze, ENATRANS
13:30 - 13:45	British Society for Nanomedicine	Steve Rannard, BSNM
13:45 - 14:00	European Foundation for Clinical Nanomedicine	Beat Loeffler, European Foundation for Clinical Nanomedicine
14:00 - 14:30	Coffee and mingling	All 
14:30 - 14:45	Impacting Patient Health with Nano Medicines	Annette Bak, Astra Zeneca
14:45 - 15:00	Surface-enhanced Raman spectroscopy of biofluids: clinical applications in oncology	Alois Bonifacio, University of Trieste and member of Raman4clinics
15:00 - 15:15	The International Iberian Nanotechnology Laboratory	Lorena Diéguez, INL
15:15 - 15:30	Does inflammation in the host affect distribution of silicon nanoparticles in vivo?	Maria Bokarewa, Sahlgrenska University Hospital
15:30 - 15:45	Chemical vapor deposition of graphene in Chalmers and its bioapplications	Jie Sun, Chalmers University of Technology
15.45	End of Focus Seminar	All
16:00 - 16:45	Optional site visit at Chalmers	Jie Sun - Chalmers, Chalmers University of Technology
16:00 - 20:00	TABIn sessions (2x3 in parallel)	ENATRANS, Experts from ENATRANS (separate application needed)

The **nanomedTAB** – Nanomedicine Translation Advisory Board (www.nanomedtab.eu) is a free-of-charge mentoring program to assess, advise and accelerate promising nanomedicine projects to the market, based on the diverse experience of outstanding industry experts, <http://nanomedtab.eu/index.php#experts>

The fifth edition of applications is now open until the 4th of May 2017, to companies and public and private research entities. Selected projects will be invited to attend the TAB-In Sessions, a series of face-to-face meetings with experts, on the 31st of May 2017.

Applications can be submitted at <http://nanomedtab.eu/?apply>
